

CONFERENCE REPORT

We gratefully thank all our wonderful Speakers, Conference Attendees, Students, Media Partners, Associations and Sponsors for making AI-Robotics 2019 Conference the best ever!

The International Conference on Artificial Intelligence & Robotics Surgeries, hosted by the Gavin Conferences was held during November 20-21, 2019 at Milan, Italy based on the theme “**Advances in Artificial Intelligence and their Profound implication in Robotic Surgeries**”. Benevolent response and active participation was received from the Organizing Committee Members along with Scientists, Researchers, Students and leaders from various fields of Artificial Intelligence and Big Data, Data Mining, who made this event a grand success.

Gavin Conference expresses its gratitude to the conference Moderator, **Sofia Meacham**, Bournemouth University, UK for taking up the responsibility to coordinate during the sessions. We are indebted to your support.

The conference was initiated with the Honourable presence of the **Keynote forum**. The list includes:
Abbas M Al Bakry, President of the University of IT and Communications in Baghdad,
Sofia Meacham, Bournemouth University, UK
Boris Stilman, University of Colorado Denver, USA
Salam Hajjar, Marshall University, USA
Alla Sapronova, StormGeo LLC, Norway
Ergi Sener, Idea Field BV, Sabanci University, Holland

AI-Robotics 2019 Conference Venue: **Holiday Inn Milan - Assago**
Tangenziale Ovest di Milano km 19, 20090 Milano MI, Italy

The meeting reflected various sessions, in which discussions were held on the following major scientific tracks:

- Machine learning
- Mechatronics
- Cloud Computing
- Artificial Intelligence
- A.I in Electronics
- Robotics
- Medical Robots
- Fuzzy Logic Systems
- Data Mining
- Artificial Neural Networks
- Applications of AI
- Brain-Machine Interface
- Genetic Algorithms
- Humanoid Robots
- Applications of Micro and Nano robotics
- Cyber Security
- Robotic Surgeries

Gavin Conference also took privilege to felicitate the Keynote Speakers, Organizing Committee Members, Chairs and sponsors who supported this event

With the grand success of AI-Robotics 2019, Gavin Conference is proud to announce the “**2nd International Conference on Artificial Intelligence & Robotics**” to be held during **July 28-29, 2020 at Berlin, Germany**.
